

Hostility

1 Look carefully at the picture on pages 52 to 53 of the EMOTIONARY and answer the questions.

● How do you think the cat feels? Tick the correct answer.

- He's afraid of the bees.
- He's angry with the bees.
- He's curious about the bees.

● What do you think is going to happen next?

2 Write what you think the cat might be thinking.

3 Read the text about **hostility** on page 52 of the EMOTIONARY and complete the sentences.

- We feel hostile when someone stops us from _____
_____.
- When we feel hostile, we tend to _____
_____.
- Hostility leads us to _____
_____.

4 Write down two ways in which we show **hostility**.

5 To **disagree** is the opposite of 'to agree'. Underline the words which form their negatives by adding the prefix **dis-**. Then write the **dis-** words below.

- | | | |
|------------|-----------|-----------------|
| belief | contented | wrap |
| obedient | happy | like order |
| acceptable | infect | normal |

6 Write three sentences that **disagree** with the three below.

● Fish is delicious.

● The best time to be at the beach is in the afternoon.

● Cycling is healthy and fun.

7 Match each verb to its meaning.

- reject to make someone unhappy or worried
- attack to push away (physically or with words)
- upset to criticise someone in an aggressive way

8 Write down two examples of when you have acted in a hostile way towards someone.

● Why did you act like that?

9 Write down three examples of when someone has disagreed with you.

● Did you feel hostile on any of these occasions?

10 Read the following situation and imagine two different endings: in one, Oscar reacts in a hostile way and, in the other, he doesn't.

Oscar's best friend is Elliot. This week Elliot's cousin, Ben, is staying at his house. Ben is a year older than Oscar and Elliot, and gets on really well with his cousin. When Oscar meets Ben...

Hostile reaction

Non-hostile reaction

11

Write down three things that the cat in the picture on pages 52 to 53 of the EMOTIONARY might say to show his **hostility**.

12

What do you think might happen after that? Write your answer and draw a picture.
